CROWN HILL CEMETERY AND FUNERAL HOME

Established in 1863, Crown Hill Cemetery is the country's 3rd largest cemetery with 555 acres. Annually, 1200-1500 burials are made representing people from all walks of life. Notables include President Benjamin Harrison, three Vice Presidents, Hoosier Poet James Whitcomb Riley, and the infamous bank robber, John Dillinger.

In 1993, the Crown Hill Funeral Home was established to offer families the convenience of a full-service funeral home on the historic grounds of Crown Hill Cemetery.

Families often find themselves emotionally and financially unprepared to deal with the difficult decisions that face us when experiencing the loss of a loved one.

Advanced planning for your funeral and cemetery needs is financially wise and will be remembered as an act of love for your family.

It is for these reasons Crown Hill promotes the benefits of prearrangements for families:

- Thoughtful choices as opposed to pressured decisions.
- Guaranteed pricing to offset inflation.
- Insurance protection.
- Payment options.
- Peace of mind.

For a free prearrangement consultation, please call (317) 925-8231.
